SHAPING LIVES SINCE 1950

Over the last 70 years since its incorporation in the 1950s, Tong Eng Brothers and its group of companies take pride in developing distinctive buildings that are a harmonious blend of form and functionality. From its inception, the group has owned and developed more than 200 acres of land, comprising high quality mixed-use, office, retail, landed housing and condominiums.

Tong Eng Group strives to blend creative planning and understated elegance while adopting new concepts and technology in developing buildings with enduring value. With each project, careful attention is paid to every detail, from redefining spaces to ensure the optimum layout, to providing only the most impeccable finishes and quality.
